

## **FISCAL NOTE**

### **SB 1411 - HB 1109**

March 28, 2001

**SUMMARY OF BILL:** Specifies that emergency medical technicians and emergency medical technician-paramedics are not included as "health care practitioners" under the Governmental Tort Liability Act.

#### **ESTIMATED FISCAL IMPACT:**

**Local Govt. Expenditures - Cost Avoidance - Exceeds \$100,000**

The October, 2000 state Supreme Court decision in *Mooney v. Sneed* affirmed the lower court's decision that EMT's and EMT-P's were health care practitioners and were not protected by immunity provisions of the Tennessee Governmental Tort Liability Act. This estimate assumes in the absence of the bill, local governments would have to purchase malpractice insurance for EMT's and EMT-P's that they employ. The cost of such insurance is estimated to be significant.
